

Miniature White Marshmallows

Marshmallows have a variety of excellent foodservice applications. They can be easily melted for use in preparing crisp rice bars; quickly blended into gelatins and/or puddings; and easily applied as garnish on cakes, yam casseroles or hot chocolate.

Clown Brand Marshmallows are always fresh, free-flowing and flavorful. One packaging option, a 1 lb. poly-bag for miniature marshmallows yields a piece count of approximately 750 +/- 50 marshmallows per bag.
